

Partner for Corporate Law/M&A, Private Equity

FRORIEP is a Swiss business law firm with an international presence. We have offices in German- and French-speaking Switzerland (Zurich, Zug and Geneva), and abroad in London and Madrid. More than 60 lawyers are committed to serving our clients in their specialist areas at each location. These include national and international companies and private clients from Switzerland and abroad.

Through our London office, FRORIEP has built a large international network as well as a familiarity with Anglo-Saxon business practices and professional expectations. Our London team advises clients on Swiss law in a variety of practice areas, including corporate law/M&A, banking & finance, regulation of financial services including funds, as well as aviation, employment and data protection. Thanks to FRORIEP's fully integrated structure, our London team can rely on the support of our colleagues in Zurich, Geneva and Zug, enabling us to work on larger transactions.

To strengthen our team in **London** we are looking for a **partner for Corporate Law/M&A, Private Equity**.

You are admitted to the Swiss bar and are fluent in English. Your mother tongue is German or French. As an experienced partner in a Swiss law firm in the areas of corporate law/M&A and private equity, you have a good network of contacts with your own client base and are open to new challenges. You have drive and personality.

You can expect an innovative business law firm, a small and well-rehearsed team led by our partner Dunja Koch and beautiful premises in the City of London. Our firm offers interesting development prospects, also for a possible future return to Switzerland, a collegial partnership, as well as a performance-oriented profit-sharing model.
