FRORIEP winner of the Trophées du droit – Best Swiss Law Firm 2020 "Mention spéciale"

We are proud to announce that FRORIEP has won the Trophées du Droit "Mention Spéciale" Award in the category "Meilleure Etude Suisse 2020", in relation to the firm's innovation spirit and accomplishments, at the Sommet du Droit in Paris on 30 January 2020.

FRORIEP was shortlisted as Best Swiss Law Firm 2020 together with major Swiss law firms. The Leaders' League committee was most notably impressed by FRORIEP's innovative actions in the past year. The fact that to date we are one of the only law firms accepting bitcoin payments and our representation of SEBA-Bank, one of the only two e-banks in Switzerland, were major factors in this win.

The team representing FRORIEP in Paris was comprised of Jean Marguerat, Alain Gros, Laurent Develle and Xenia Rivkin.

The Trophées du Droit are organised by the Leaders' League and the Awards Ceremony is scheduled during the Sommet du Droit. Since its creation, the Sommet du Droit has alternately honoured legal and litigation professionals as well as legal and financial professionals. The members of the various juries, who are recognised professionals, are solicited by the Trophées du Droit organising team on the basis of their experience and area of expertise.
